Back to School! School's back in session, but the class rabbit is missing. Sharpen your eyes, and be the first to find the rabbit!

Bonus: Color in the drawing with your favorite colors.
FOLLOW THE STARS
Help the boy fly his rocket and become an expert at identifying shapes.
Color in each star to find the path back to his home planet.
Dear Parents,

We are discussing families and how they grow. Please assist your child in completing this worksheet so that he or she can better understand family relationships. After writing in the names, have your child draw or paste pictures of each person.
